Using the information provided on our [website](#) about the mission of the Spark Internship program as a guide, please describe a project you would like to work on at Discovery Space (does not need to be one of the listed example projects). Include in your description reasons why you want to work on this project, and your relevant skills and experiences that would make you a good candidate to work on this project.

This project will not exclusively determine eligibility for selection, and you will not be obligated to pursue the project exactly as you describe it on this application.

Please give your answer in 200-300 words. *

Maximum of 300 words. Currently Used: 0 words.

Spark Interns will serve as role models and mentors for our visitors. Please describe a time when you have acted as a

role model/mentor in the community.

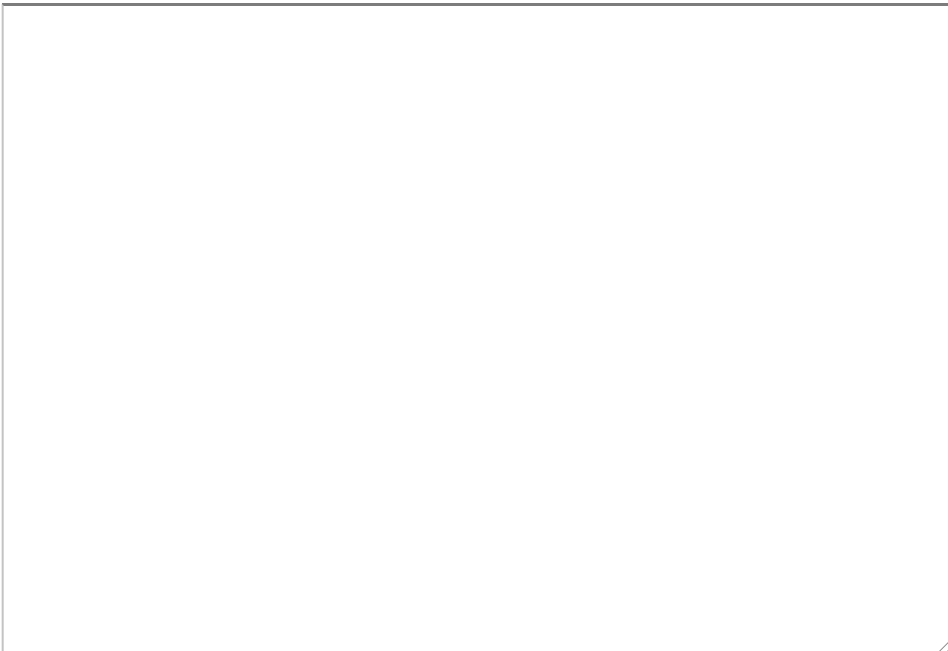

Please give your answer in 100-200 words. *

Maximum of 200 words. *Currently Used: 0 words.*

As members of the Discovery Space team, Spark Interns will work to promote the goals and mission of the science center. Please explain how the function and mission of Discovery Space align with your personal college and career goals.

Please give your answer in 200-300 words. *

Maximum of 300 words. *Currently Used: 0 words.*

Parent Acknowledgement

Please review the text below with one of your parents/guardians and have them sign electronically indicating that they support your commitment to the Spark Internship should you be selected.

Parent/Guardian Commitment: By entering my name below, I hereby acknowledge that, if selected, and we accept the position for Discovery Space's Spark Internship, my child is available to attend the the internship orientation meeting on Friday, September 20, 2019 and the seventeen (17) biweekly intern meetings during the 2019-2020 school year from Friday, September 27, 2019 through Friday, May 22, 2020 (no meeting on March 13, 2020; biweekly schedule continues over school holidays). Spark Interns will sign up to assist with at least 3 additional outreach/education programs either after school, on weekend days, or on school holidays; these opportunities will be coordinated with the intern. Lack of compliance with our Attendance Policy will result in termination from the program. *
