

BIRTHDAY PARTY PLANNER

We have
Birthdays
down to
a science.

Thank you for your interest in Birthday Parties at Discovery Space and The Rivet!

Our team will reach out to you shortly to answer any questions and confirm potential dates. No pressure, just planning help!

Let's plan your perfect party!

STEP 1: Choose Your Base Party Package

Not sure where to start? Think about your party size and amount of space you want! Check out the comparison below to find the best fit for your celebration!

	Essentials Party Up to <u>10 kids</u> * and their adults	Classic Party Up to <u>20 kids</u> * and their adults

If you <u>are</u> booking an add-on activity, fees for extra kids vary by activity and are detailed in STEP 2. 	<ul style="list-style-type: none"> • Member Base Pricing: \$260 • Non-member Base Pricing: \$280 • Extra Kids: If you are <u>not</u> booking an add-on activity, the cost is \$10 per extra kid (max 25 total). If you <u>are</u> booking an add-on activity, fees for extra kids vary by activity and are detailed in STEP 2.
Includes:	<ul style="list-style-type: none"> • Small Party Room Rental with dedicated party host • Wristbands for unlimited same-day Exhibit Floor exploration • Discovery Space party favors 	<ul style="list-style-type: none"> • Large Party Room Rental with dedicated party host • Wristbands for unlimited same-day Exhibit Floor exploration • Discovery Space party favors
Activity Add-Ons:	<p>Build your perfect party: Choose from kid-approved science and craft activities. (Additional fees apply, see STEP 2)</p>	<p>Build your perfect party: Choose from kid-approved science and craft activities. (Additional fees apply, see STEP 2)</p>

STEP 2: Explore Activities & Upgrades

From hands-on science experiments to creative crafts and cool projects, we offer optional add-on activities for kids ages 4 and up!

Whether they're forming their own fossils, making UV resin hair clips, or mixing up glow-in-the-dark slime, there's something for every curious kid.

Add unforgettable fun to your party at an incredible value and let us clean up the mess! Most activities work out to be less than \$5 per child.

View all activity options on the next page.

Friday "After-Hours" Upgrade

\$60 - Prime time for parties, get the Exhibit Floor to yourselves from 5-7pm

Extra Room Upgrade

\$100 - More room to celebrate! Add our adjoining Small Party Room to your Classic party.

Activities Menu (Ages 4-7)

Ages
4+

Ooey Goopy Science

Time Required: ~30-45 min

Is it a liquid or a solid? Use your senses to explore Discovery Space goo, then use it to create your own colorful work of art!

Key Features:

- Exploration of non-Newtonian fluids
- Educational and sensory experience
- Take-home art as a keepsake

Ages
5+

Marine Fossils

Time Required: ~45 min

Kids will learn about how fossils form and what they tell us about Earth's history.

Key Features:

- Hands-on fossil-making activity
- Fun lessons about Earth's ancient oceans
- Take-home fossil creation

Ages
6+

Glow In The Dark Slime

Time Required: ~30-45 min

Learn about polymers and chemical reactions as you mix up your own glowing slime.

Key Features:

- Engaging, age-appropriate science exploration
- Take-home slime party favor

Ages
6+

Colorful Chemistry

Time Required: ~30-45 min

Experiment with chemical reactions and learn how they can produce vibrant designs.

Key Features:

- Fun and interactive science demonstrations
- Take-home art as a keepsake

Ages
6+

Stitch-a-Shape

Time Required: ~30-45 min

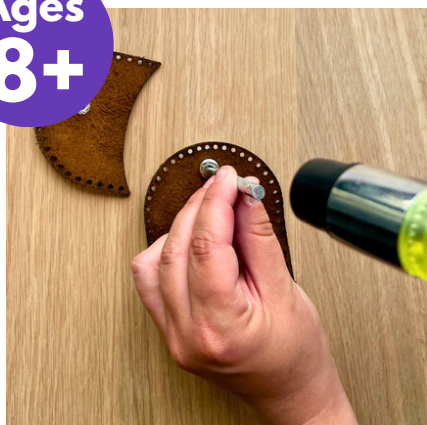

Learn basic embroidery techniques while stitching designs onto wooden shapes.

Key Features:

- Introductory sewing lesson
- Take-home art as a keepsake

Activities Menu (Ages 8 and up)

Ages
8+

Leather Crafted Coin Pouches

Time Required: ~30 minutes

Kids will explore materials science, learn to attach snaps, and stitch a functional and stylish pouch to take home.

Key Features:

- Introductory lesson on sewing and attaching hardware like snaps
- Take-home customized leather coin pouch

Ages
8+

Vinyl Vibes Drawstring Bag

Time Required: ~30 minutes

Kids will personalize their own drawstring bag using vinyl cutouts and a heat press!

Key Features:

- Lesson on garment printing and using the heat press
- Take-home customized drawstring bag

Ages
8+

UV Resin Hair Clips

Time Required: ~40 minutes

Kids will blend creativity with chemistry as they design and pour their own one-of-a-kind hair clip!

Key Features:

- Fun lesson on resin and UV light
- Take-home customized resin hair clip

Ages
8+

DIY Apron & Clay Play

Time Required: Two ~30 minute activities

This two-part ceramics experience is perfect for creative kids who want to get their hands dirty and explore the world of pottery! Kick things off by decorating your own pottery apron, then step up to the wheel for a fun, beginner-friendly lesson in pottery throwing.

Please note: This activity is limited to 6 participants and does not include a finished clay piece to take home.

Key Features:

- Hands-on intro to pottery wheel lesson
- Take-home DIY pottery apron

What to Expect & Party Tips

Here's everything you need to know to make your Discovery Space party a stress-free, fun-filled celebration, from what to bring to how we'll help make setup a breeze! Use pages 7-9 to pull your little in on planning and download free party invitation designs!

Food and Drink

Please bring your own food, drinks, paper products, and utensils. Food must stay in the party room, and we recommend avoiding nuts to protect guests with allergies. No fridge is available, but coolers are welcome!

✓ **Want to keep it simple?** Finger foods, juice boxes, and cupcakes make serving and cleanup easy.

Party Favors

Each child will receive a Discovery Space party favor filled with goodies like 3D-printed toys, STEM-themed stickers, and a few pieces of candy. These are included with every party package, and you're welcome to bring extras if you'd like.

✓ **Want to personalize?** Add name tags or tie on a ribbon for a festive touch.

Decorations

We provide reusable color-on tablecloths and a colorful photo backdrop! You may bring other decorations, but please avoid glitter or confetti.

✓ **Hanging is easy!** The divider wall between our party rooms is metal, so magnets are great for hanging decor!

Setup and Cleanup

You may arrive up to 30 minutes early to set up. Your party host will help prep the room and activity materials. After your party, our staff will handle cleanup while guests are welcome to keep exploring.

✓ **Keep the party going!** Remind guests that their wristband provides same-day access to our exhibit floor—they're welcome to stay and play!

Ready to book?

Complete our [Birthday Party Interest Form](#) or call 814-234-0200 and ask for Gina!

**What will your party theme be?
Why did you choose it?**

**Will you have cake? What kind?
Can you draw it here?**

 **Invitations? We've got you covered.**

Check out our free downloadable birthday party invitations! You can customize them in Canva or print right from the PDF linked below.

1. Double click the image below, then click Use template for new design
2. You will need to create a free Canva account or log in to your existing account!
